

# Hang Tag Vertical

(2.5" x 3.5" Drill hole size and location can be customized)

- TRIM LINE:** All critical elements (text, logos, etc.) must be kept inside this area to ensure no important elements are trimmed from the final piece. This area is positioned 1/8" inside the outer line.
- BLEED AREA:** Background images or colors should extend to the edge of this area to ensure full-color, smooth appearance. This area extends 1/8" past beyond the trim line.
- TRIM LINE:** The trim line represents where the piece will be cut and indicates the final size of the piece. For Tag, Due to production tolerance, its measured width is being for area of final 1/8" from away from the trim line or avoid them completely.
