

6.75 Reply Envelope (6.5" x 3.625")

FRONT

--- SAFE ZONE:

All critical elements (text, logos, etc.) must be kept inside this area to ensure no important elements are trimmed from the final piece. This area is positioned 1/4 inch inside the trim line.

— ENVELOPE EDGE:

The edge line represents the outer most edge of the envelope, flap area, and where the diagonal seams come together.

The image shows a rectangular template for the back of an envelope. It features a red border and a central area with a wavy top edge, representing the flap. Two diagonal lines extend from the top edge down to the bottom corners, indicating where the flap is folded. The word "BACK" is printed in a bold, red, sans-serif font in the center of the template.
